

ARABE S9

ARABIC

Lecturers: Florence MILON

| Lecturers : 0.0 | TC : 0 | PW : 0.0 | Autonomy : 0.0 | Study : 0.0 | Project : 0.0 | Language : FR

Objectives

Introduction to writing, communication in Arabic and acquisition of knowledge about Arab culture.

Keywords : Discovering, curiosity, cross-cultural communication, cultural practices, Arab civilization.

Programme

There are two levels : a beginner's course and an intermediate course (both two hours per week). The course focuses on classical Arabic, the language of the press and of the media and on Modern Standard Arabic.

Learning outcomes

- Oral understanding and expression (dialogues and expression in Modern Standard Arabic).
- Learning vocabulary through games.
- Learning to write (calligraphy).
- Learning about culture (discovering the socio-cultural environment, ethnic groups, religions, civilization, music, and arts).

Independent study
